2. **Grant.** The City grants to C Spire a non-exclusive right and license to construct and operate a Telecommunications System in the Rights-of-Way and a non-exclusive franchise to provide Services to Subscribers located within the City. Subject to the terms of this Agreement

and applicable law, C Spire may erect, install, construct, operate, maintain, repair, replace, expand, and reconstruct its Telecommunications System in any Rights-of-Way.

3. Term. The license granted under this Agreement shall be for an initial term of twenty-five (25) years from the Agreement Date, unless otherwise lawfully terminated (the "Initial Term"). At the end of the Initial Term this Agreement shall automatically renew for one (1) period of five (5) years (a "Renewal Term") unless C Spire gives the City notice of its intention not to renew at least six (6) months prior to the Initial Term or any Renewal Term. The Initial Term and any Renewal Term are sometimes collectively referred to herein as the "Term." Any negotiations for renewal of the franchise shall be pursuant to applicable law.

4. Installation of Facilities. C Spire shall not install any new Facilities in any Public Way without having received a permit from the City. C Spire shall install all Facilities so as to minimize interference with the proper use of Public Ways, public utilities, and with the rights and reasonable convenience of the City and property owners whose property adjoins any Public Ways. C Spire agrees to the following conditions, limitations, and restrictions related to the installation of its Facilities in, on or through any portion of the Rights-of-Way:

Upon written request by the City, C Spire will provide digital as-built drawings within six (6) months of the completion of any construction. (c) C Spire agrees to "white-line" its path for planned construction for the day of construction.

(d) C Spire lines, where feasible, shall have at least a forty-eight (48) inch separation vertically and where feasible at least thirty (30) inch separation horizontally from all City utility lines, including gas lines, water lines and sewer lines.

(e) C Spire agrees, where feasible, to stay three (3) feet away, measured horizontally, from power poles unless it is utilizing such poles pursuant to a pole attachment arrangement.

(f) C Spire or C Spire's contractor will request locates and the City shall provide locates of its facilities as required by Alabama's 811 law and regulations. C Spire will not locate the City's utility lines or those of any third party physically or on maps or drawings. C Spire hand hole and clean-up crews will set hand holes and complete clean-up for each section within two (2) to three (3) work days after placement of conduit, weather permitting.

(g) C Spire shall clear the streets of any drill mud, debris and other obstructions that accumulate as a result of C Spire's construction activities and will not permit its activities to create a hazard to any persons or property. In the event that any such drill mud, debris or other obstruction caused by C Spire's activities encroaches upon the street, C Spire shall take immediate corrective action to remove the same.

(h) If streets and other Public Ways are damaged by C Spire, its employees, agents or contractors in installation or subsequent maintenance and repair of its Facilities, C Spire, upon written notice from the City and at C Spire's sole expense, shall promptly and without delay repair and restore such streets or Public Ways to the same or better condition than such streets or Public Ways were in prior to such damage, and to the reasonable satisfaction of the City.

(i) C Spire shall contact affected property owners to discuss any repairs, dress-up or clean-up of such owners' property necessitated by the installation of C Spire's fiber optic cable, and shall perform any necessary repair, dress-up or clean-up to such property at C Spire's sole expense.

(j) At all times during and after the installation of fiber optic lines, C Spire shall

respond to all emergency locates to locate its fiber optic lines as required by Alabama's 811 law and regulations.

(k) At all times, C Spire shall be responsible for safety at, about and around its work and shall, at its sole expense, provide safe and adequate traffic control when necessary and at its own expense provide full and complete warnings to safeguard the public and to prevent injury or damage, including, but not limited to, any and all signage, cones, markings, lighting and otherwise deemed, in the sole discretion of C Spire, to be adequate and C Spire shall assume all liability for any injury or damage in any way related directly, or indirectly to the provision or non-provision or inadequate provision of such controls, warnings, etc., and shall, at its sole expense, defend the City any and all actions in any way related to any injury or damage claimed to be the result of inadequacies in traffic control, warnings, or otherwise.

(l) C Spire shall have the authority to trim trees and natural growth on the Rights-of-Way which may affect its Telecommunications System in the City to prevent interference with C Spire's Facilities in accordance with the City ordinance regarding tree cutting and removal.

(m) C Spire shall, on the request of any Person holding a permit to move a building temporarily raise or lower its aerial Facilities, if any, to facilitate the moving of such buildings. The expense of such temporary removal or raising or lowering of such aerial Facilities shall be paid by the Person requesting the same, and C Spire shall have the authority to require such payment in advance. C Spire shall be given at least sixty (60) days' advance notice to arrange such temporary aerial Facility alterations.

(n) The City shall not charge C Spire any permitting fees of any kind during the Term.

(o) The decision of when and where to construct its Facilities is solely within the discretion of C Spire as is the determination of what Services to provide and where to provide them within the City during the Term.

Throughout the Term of this Agreement, provided C Spire complies with the foregoing requirements, C Spire shall be entitled to expand and upgrade its Telecommunications System as it deems reasonably necessary.

5. Relocation of Facilities. Whenever the City shall grade, regrade, or change the line of any street or Public Way or construct or reconstruct any sewer or water system therein and shall, with due regard to reasonable working conditions, order C Spire to relocate or protect its Facilities located in said street or Public Way, C Spire shall relocate or protect its Facilities at its own expense; provided, however, if the City compensates any Person for similar work then C Spire shall be similarly compensated. Further, where the City has determined that the location of C Spire's Facilities is unsafe, interferes with traffic control devices, or otherwise may be harmful to the public health, safety, and welfare as determined in the reasonable judgment of the City, C Spire shall move such Facilities to an alternate location as directed by the City. The City shall give C Spire reasonable notice of plans to grade or change the line of any street or Public Way or to construct or reconstruct any sewer or water system therein or of any demand that the Facilities be relocated for the reasons set forth herein. C Spire may also be required to relocate its Facilities where public utilities or other users of the Public Way require access; provided, however, that nothing herein shall be construed as a waiver of C Spire's rights under applicable law. Any such movement shall be at the expense of the third party. With respect to location of its existing public utility lines, the City agrees that during the period of C Spire's installation of fiber optic lines pursuant to this Agreement, the City will locate all City public utility lines as required by Alabama's 811 laws. It shall be the duty of C Spire or its contractor(s) to request the City to locate the public utility lines.

6. Damage to Existing Utilities. C Spire hereby agrees that (a) during the installation process, and (b) at any time after such installation, C Spire will immediately notify the appropriate utility provider in the event that C Spire, or any of its related entities, employees, agents, or contractors damages a utility line, including private service lines. Provided that the party owning the lines has complied with Alabama's 811 law and regulations, then any repairs to such utility

lines and private service lines must be made immediately, and at C Spire's sole expense, and shall only be made by appropriately licensed and bonded contractors.

7. **Compliance with Codes.** All construction, installation, maintenance, and operation of the Telecommunications System or of any Facilities employed in connection therewith shall comply with the provisions of the National Electrical Safety Code as prepared by the National Bureau of Standards, the National Electrical Code of the National Council of Fire Underwriters, any standards issued by other federal or state regulatory agencies in relation thereto, and local zoning regulations. C Spire shall comply with ordinances, rules, and regulations established by the City pursuant to the lawful exercise of its police powers and generally applicable to all users of the Public Way. To the extent that local ordinances, rules, or regulations clearly conflict with the terms and conditions of this Agreement, the terms and conditions of this Agreement shall prevail. The City reserves the right to lawfully exercise its police powers. C Spire will comply with the FCC customer service standards set forth under 47 C.F.R. 76.309(c)(1), (2)(ii)-(v), (3)-(4). The City acknowledges that due to the nature of the equipment and underground fiber installation practices of C Spire which differ substantially from those of traditional cable television service providers, compliance with 47 C.F.R. 76.309(c)(2)(i) is not practicable or required.

8. **Indemnity to City.** At all times both during and after installation, so long as C Spire's Telecommunications System is located upon any portion of the City's Rights-of-Way, C Spire covenants, warrants and agrees to indemnify and hold harmless the City, its officers, employees, agents and contractors, of and from any and all suits, damages, claims, liabilities, losses and expenses, including reasonable attorneys' fees, directly or indirectly arising from or related to: (a) the installation, operation, repair or maintenance by any Person of C Spire's Telecommunications System within the City; (b) provided that the City has complied with Alabama's 811 law and regulations, any injury, loss or damage to the City's utility lines arising from or related to the installation, operation, repair or maintenance of C Spire's Telecommunications System; and (c) provided that the private service line owner has complied with Alabama's 811 law and regulations, any injury, loss or damage to private service lines arising from or related to the installation, operation, repair or maintenance of C Spire's Telecommunications System. Without the intent of limiting any of the foregoing, it is agreed that C Spire shall indemnify and hold harmless the City, its officers, officials, employees, agents and contractors of and from any and all claims for personal injury, wrongful death, property damage, or otherwise alleged to be directly or indirectly attributable, in whole or in part, to the acts or omissions of C Spire or its officers, employees, agents, or contractors in connection with the subject of this Agreement, which indemnity shall be at the sole expense of C Spire, including the obligation to pay any and all sums required, including any settlement, judgment, attorneys' fees, court costs, or otherwise. In the event the City believes it has a claim subject to indemnification it must promptly give C Spire written notice of such claim. Within sixty (60) days of its receipt of written notice of the City's claim, C Spire shall notify the City in writing whether it will defend such claim. If C Spire assumes the defense of such claim, it shall be entitled to defend the claim in any manner it sees fit including settlement, provided no settlement imposes liability on the City without the City's prior written consent.

9. **Franchise Fee.**

(a) **Franchise Fee.** When and if C Spire provides local Telecommunications Services to Subscribers within the City, C Spire shall pay the City a franchise fee equal to three percent (3%) of the monthly service charge revenue from sales of local Telecommunications Services to Subscribers located within the City; and when and if C Spire provides Video Services to Subscribers located within the City, a video services franchise fee equal to the lesser of: (i) five percent (5%) of Gross Revenues received by C Spire from sale of the Video Services to Subscribers within the City, and (ii) the lowest percentage payable by a third party provider of Video Services to Subscribers within the City (collectively, the "Franchise Fee"). The payment of the Franchise Fee shall be made on a quarterly basis and shall be due and payable no later than forty-five (45) days after the last day of each March, June, September, and December throughout the Term of this Agreement. Each Franchise Fee payment shall be accompanied by a certified report from a representative of C Spire, which shows the basis for the computation of all monthly service charge revenue from providing local Telecommunications Services and Gross Revenues received by C Spire from sale of the Video Services to Subscribers located within the City limits during the period for which such Franchise Fee payment is made. If the

Franchise Fee payment is not actually received by the City on or before the applicable due date set forth in this Section, interest shall accrue on the outstanding amount at the lesser of one percent (1%) per month or the highest rate allowed under Alabama law for the period of delinquency.

(b) Discounted Rates. If C Spire Subscribers are offered what is, in effect, a discount for “bundled” services (*i.e.*, Subscribers obtain Video Services and some other non-Video goods or service) then for the purpose of calculating Gross Revenues, the discount shall be applied proportionately to Video and non-Video goods and services, in accordance with the following example:

Assume a Subscriber’s charge for a given month of Video Service alone would be \$40, for local telephone service alone would be \$30, and for high speed internet service alone would be \$30, for a total of \$100. In fact, the three (3) services are offered in effect at a combined rate where the Subscriber receives what amounts to a twenty percent (20%) discount from the rates that would apply to a service if purchased individually (*i.e.*, \$80 per month for all three (3) services). The discount (here, \$20) for Gross Revenue computation purposes would be applied pro rata so that the Gross Revenue for Video Service are deemed to be \$32 (\$40 less twenty percent (20%) of \$40). The result would be the same if the Subscriber received a \$20 discount on telephone service on the condition that he or she also subscribes to Video Service at standard rates.

In no event shall C Spire be permitted to evade or reduce applicable Franchise Fee payments required to be made to the City due to discounted bundled services.

(c) Audit. During the Term of this Agreement, once every twelve (12) months and upon reasonable prior written notice, during normal business hours, the City shall have the right to inspect C Spire’s financial records used to calculate the City’s Franchise Fee, and the right to audit and to re-compute any amounts determined to be payable under this Section at the City’s expense; provided, however, that any such audit shall take place within two (2) years from the date the City received such payment, after which period any such payment shall be considered final. If the City believes it is owed any additional compensation from C Spire, it will give C Spire notice of same along with a calculation of the additional amount. The Parties shall work together in good faith to resolve the matter. Any additional amounts due to either Party shall be promptly paid within thirty (30) days following resolution of the payment dispute.

10. Public, Education and Government Access Channel.

(a) PEG Access Channel. At any time after C Spire begins to offer Video Services on a commercial basis to Subscribers within the City, the City may request C Spire to provide the City one (1) video channel for non-commercial PEG Access use. C Spire shall provide the PEG Access channel within one hundred and eighty (180) days of the City’s request.

(b) Regulation of PEG Access Channel. The City shall establish reasonable regulations governing use by the public of the PEG Access channel and the content broadcast over the channel. C Spire shall have the right to prohibit the broadcast of inappropriate or illegal programming over the channel in its sole reasonable discretion and in accordance with applicable law. The City shall be solely responsible for all costs, expenses, and equipment necessary for and related to producing or transmitting content over the PEG Access channel. C Spire shall have no obligation, financial or otherwise, other than the obligation to provide access to one video channel for non-commercial PEG Access use.

(c) Return of PEG Access Capacity to C Spire. In the event that unused capacity exists on the PEG Access channel, C Spire may request the City to return that capacity to C Spire for C Spire’s use. The City shall not unreasonably deny such request.

11. Liability Insurance. At all times, C Spire shall maintain, at its own cost and expense, a general liability policy in the minimum amount of \$1,000,000.00 per occurrence and \$2,000,000 general aggregate limit for bodily injury and property damage. Such policy or policies shall designate the City as an additional insured and shall be non-cancellable except upon thirty

(30) days' prior written notice to the City. The City shall be provided with a certificate of such coverage upon request by the City. C Spire also currently maintains umbrella liability policies of at least \$10,000,000 in aggregate. In addition, C Spire shall secure any and all other insurance as C Spire, in its sole discretion, deems appropriate. Nothing in this Section is intended to be a waiver of the City's immunity under State-agent immunity.

12. Books and Records. Throughout the Term of this Agreement, C Spire agrees to keep such books and records regarding the operation of the Telecommunications System and the provision of Telecommunications Services in the City as are reasonably necessary to ensure C Spire's compliance with the terms and conditions of this Agreement. Such books and records shall include, without limitation, any records required to be kept in a public inspection file by C Spire pursuant to the rules and regulations of the FCC. All such documents pertaining to financial matters, which may be the subject of an audit by the City shall be retained by C Spire for a minimum period of three (3) years; provided it is understood that C Spire only retains call records for eighteen (18) months.

13. Transfer of Ownership or Control.

(a) C Spire shall not transfer this Agreement or any of C Spire's rights or obligations in or regarding the Agreement without the prior written consent of the City. No such consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of C Spire in the Agreement or in the Telecommunications System in order to secure indebtedness; (ii) a transfer to any Affiliate of C Spire; or (iii) a transfer to any Person purchasing all or substantially all of the assets or common stock of C Spire.

(b) C Spire shall give the City prior written notice of any impending transfer of Control of C Spire or its assets under Sections 12 (a)(ii) or(iii) above. Furthermore, C Spire shall ensure that the Person to whom Control of C Spire or its assets is transferred is authorized by the applicable state or federal authority to occupy the Public Ways pursuant to this Agreement and assumes in writing all of the obligations of C Spire under this Agreement effective as of the date of the transfer of Control or sale. C Spire shall provide the City with a copy of such assignment instrument upon request by the City. The transfer of ownership or Control pursuant to this Section shall not be deemed to waive any rights of the City to subsequently enforce non-compliance issues relating to this Agreement even if such issues predated the transaction, whether known or unknown to the City.

(c) For purposes of this Section 13, "Control" means ownership of a majority interest or the actual working control and day to day management of C Spire.

14. Compliance with Applicable Law. C Spire shall at all times comply with all laws applicable to its provision of Telecommunications Services in the City. Notwithstanding the foregoing, the Franchise Fees paid pursuant to this Agreement shall replace and be paid in lieu of any business license fees normally assessed to C Spire pursuant to Alabama law.

15. Enforcement and Termination.

(a) Breach. In addition to all other rights and powers retained by the City under this Agreement or otherwise, the City reserves the right to terminate this Agreement and all rights and privileges of C Spire hereunder in the event of a material breach of its terms and conditions.

(b) Notice of Violation. In the event the City believes C Spire has not complied with the provisions of this Agreement, the City shall make a written demand that C Spire comply with any such provision, rule, order, or determination under or pursuant to this Agreement. If the violation by C Spire continues for a period of thirty (30) days following C Spire's receipt of such written demand without written proof that the corrective action has been taken or is being actively and expeditiously pursued, the City may place the issue of termination of the Agreement before the City Council. The City shall cause to be served upon C Spire at least twenty (20) days prior to the date of a City Council meeting, a written notice of intent to request such termination, the provisions of this Agreement under which termination is sought, and the time and place of such City Council meeting. Public notice

shall be given of the City Council meeting and issues that the City Council is to consider pursuant to the requirements of Alabama law.

(c) Consideration of Breach. The City Council shall hear and consider the issue and shall hear any Person interested therein and shall determine whether or not any material breach by C Spire has occurred.

(d) Declaration of Forfeiture. If the City Council shall determine the material breach by C Spire was the fault of C Spire and within its control, the City Council may, by resolution: (i) seek specific performance of any provisions which reasonably lends itself to such remedy, as an alternative to damages; or (ii) commence or action at law for monetary damages; or (iii) declare a material breach and declare that this Agreement shall be terminated unless there is compliance within such period as the City Council may fix (with such period not to be less than sixty (60) days), provided that no opportunity for compliance need be granted for fraud or misrepresentation.

(e) No Forfeiture of Legal Rights or Remedies. Nothing herein shall be construed as a waiver or forfeiture of any right or remedy that either Party may have concerning or arising out of this Agreement, including the right to seek judicial redress for any breach or violation of the terms of this Agreement.

16. Miscellaneous.

(a) Applicable Law. This Agreement will be deemed to be a contract made under the laws of the State of Alabama and for all purposes will be governed by and interpreted in accordance with the laws prevailing in the State of Alabama, without regard to principles of conflict of laws.

(b) Entire Agreement. The terms and provisions of this Agreement constitute the entire agreement between the Parties, and there are no collateral agreements or representations or warranties other than as expressly set forth or referred to in this Agreement.

(c) Inurement. This Agreement shall be binding upon, and shall inure to the benefit of, the respective Parties, their successors, and assigns, including any and all subsequent owners of the fiber optic lines installed pursuant to this Agreement.

(e) No Rights to Private Property. Nothing in this Agreement shall be construed expressly or impliedly to grant to C Spire any rights with respect to any private property.

(f) C Spire Repair, Inspection, etc. All of the obligations imposed by this Agreement upon C Spire with regard to construction shall be equally applicable in the event that C Spire or its agents, employees or contractors, repair, inspect, or otherwise, deal with the Rights-of-Way. All obligations, duties and responsibilities imposed upon C Spire by this Agreement shall be continuing and not limited solely to the construction period.

(g) Independent Contractor. The Parties stipulate and agree that C Spire is an independent contractor and neither Party shall take any action or make any statement that could, in any way, suggest a different relationship between the Parties. It is specifically agreed that the Parties hereto are not partners or joint venturers and do not occupy any similar relationship.

(h) No Guaranty, etc. by City. It is hereby agreed that neither the City nor any of its officers, officials, employees, agents, or contractors have made any guaranty, representation, promise or assurance to C Spire or its officers, officials, employees or contractors, other than as expressly contained in writing in this Agreement and C Spire stipulates and agrees that it is not relying upon any promise, representation, guaranty or assurance, other than as is contained in writing in this Agreement.
